

## Jody Everheart Milligan

Hi,

I am Jody Everheart Milligan it seems odd that the last 60 years can be summed up in such a small space.

We lived in Stanley Idaho for over 20 years and raised our family there. When Larry and I went our separate ways I moved to Boise. I've been here for over 25 years.

I started my own cleaning business retiring at 62. I've traveled a bit and seen Scotland twice , I love that place. England, France, Wells and Ireland. My last trip was to Italy. I was fortunate enough to be on the same tour as Gail Darling Peterson and her daughter Polly.

My biggest and best accomplishment of all my years on this earth is my family. My two daughters Genii Hamilton and Sarah Miller. My grandson Rylie and granddaughters Samantha and Madison. My great grandsons Hendrix 7 and Archer 3. They all live near me. I can be a pest as much as I want.

My health is extremely good. I maybe old but I can still touch my toes and I act like a kid. I've had a happy and successful life!
