## Highlights on my life in the last 60 years

### **Karel Ann Farnsworth Keys**

#### Karel's Highlights:

My life has been full of love, laughter, and family. I've been able to exercise creativity in my career as a Floral Designer, much to my satisfaction.

I've been blessed with 4 terrific, accomplished kids, 10 amazing and adorable grandchildren, and 2 great-grandchildren with more on the way any day. My oldest daughter Linda is a Librarian (MLIS), and teaches at a Community College in WA. My son Randy has a MA in Shop Art. He and his family live in Utah. Another daughter, Ginny (MS) works as a law enforcement agent for the federal government.

I currently live with my youngest son, Sam, who after 21 years in the Air Force, retired as a Master Sergeant and settled back in Jerome with his family. He has his AA in Aeronautical Science and just earned a BS in Management. It's been great to be so close that I can see my son and his family every day! He helps me appreciate our abundance in America. We are so much better off than people in the 3rd world countries he has lived in all over Southeast Asia.
